

## S.D.R.A. MEMBER SURVEY

Completed By \_\_\_\_\_

[OPTIONAL – PLEASE PRINT]

1. Are you aware of the scope and nature of planned logging and forest harvest operations in the Skootamatta district ?  
Yes      No
2. If Yes, above, how did you obtain your information ?
  - a. Newspaper(s)
  - b. Friends & acquaintances, (word-of-mouth)
  - c. Skootamatta.ca website
  - d. Other (government) websites
  - e. Direct inquiries/contact with MLFI and/or the MNR
3. Are you satisfied with actions and results achieved by the SDRA under the current MNR Forest Planning process ?  
Yes      No
4. If No, above, what further actions are you able/willing to take *personally*?
  - a. Sign petitions and/or write personal letter(s) of protest? (e.g. to MLFI, MNR, MPP's, forestry company owners & operators)  
Yes      No
  - b. Research and draft proposed changes to MNR policies and regulations ?  
Yes      No
  - c. Provide, (additional to SDRA membership), *direct financial support* to groups seeking to reduce/suspend further harvesting of crown forests ?  
Yes      No
5. Going forward, should the SDRA, (please answer one only)
  - a. Simply monitor and report local forestry plans & operations ?  
Yes      No
  - b. Actively support groups seeking to reduce/suspend further logging in crown forests ?  
Yes      No
  - c. Initiate *independent attempts* to reduce/suspend further logging in crown forests ?  
Yes      No
6. Should the SDRA hire a professional biologist to oversee/prepare a complete on-the-ground survey of the lakes and surrounding watershed ? The objective would be to identify and catalog ALL species of flora and fauna – particularly any 'endangered' or 'at risk'?  
Yes      No
7. If Yes, above, would you be willing/able to *directly assist* with such a survey ?  
Yes      No
8. Forestry once accounted for more than 30 % of provincial GDP. It now provides less than 1.5% - still a significant amount. Would you support increased provincial taxes to compensate for specific reductions, or phasing out logging in remaining provincial crown forests ?  
Yes      No
